PROSPER ABAYOMI

FRONTEND ENGINEER | SOCIAL MEDIA MANAGER

abayompirosper4@gmail.com https://www.linkedin.com/in/prosper-abayomi-b577b8302/

PROFESSIONAL SUMMARY

Creative and passionate graduate, eager to delve into the intersection of technology and problem-solving. Offering a solid foundation in Computer Science, logical reasoning, UI design and development, UX engineering, and SaaS construction, with a proven ability to drive efficiency, deliver client needs, and solve problems, whilst collaborating within cross-functional teams.

PROFESSIONAL EXPERIENCE

Web Developer intern | March-September 2024
Student Industrial Work Experience Scheme (SIWES)

- Focused on building interactive UI's, constructing websites, and web apps for NITHub.
- Collaborated with team members in different fields.
- Engaged in Data Analytics classes, with hands-on training sessions.

Frontend Engineer | January 2026-present
NITDA IT Hub

- Worked with the Hub to build, deploy, and maintain interactive websites.
- Collaborated with designers, backend developers, and product managers to construct various websites and web applications.

Social Media Manager | February-October 2025
Vanilla Concierge, Chowfest Ng

- Handled content creation, content posting, and audience interaction.
- Scheduled posting times and brainstormed with graphics designers for content ideas.
- Researched various content concepts for posting and brand advertising.

ACADEMIC HISTORY

Bells University of Technology, Ogun State, Nigeria | 2021-2025
CGPA: 3.7/5
B.Tech Computer Science (GMCPN)

Canterbury Int'l High School | 2013-2019
High School Graduate

OTHER SKILLS AND CERTIFICATIONS

MS Excel, Python (intermediate), SQL, Design, Music (Sight-reading)

CERTIFICATIONS
Great Learning

- Social Media Management Certification

NITDA IT Hub

- Frontend Development Trainee

OTHER WORKS

University Final Year Project

The Design and Implementation of an Automated Course Allocation System for Lecturers

- Wrote a project paper
- Built a working prototype of the software-based project

RESEARCH INTERESTS

Computer Science | Prompt Engineering

- Intrigued by the intrinsic workings of prompt engineering, and am interested in diving deeper into and studying its core functionalities and structure.

AI-Based Web Development & Software Engineering

- Looking to study how Artificial Intelligence can be better applied in the art of web development, and using it to evaluate maintainability and isolate faults in micro-frontend architectures for web applications.

Mobile-First and Low-Resource Computing

- Interested in gaining a better understanding of Progressive Web Apps and their performance evaluation in intermittent network conditions.

Great Learning

CERTIFICATE OF COMPLETION

Presented to

Prosper Abayomi

For successfully completing an online course

Social Media Management

Course completed on July 05, 2025

VERIFIED CERTIFICATE

Harish Subramanian

Academic Director, Great Learning
